

RotoFasco Secura 9600 Handle

New Product The RotoFasco Secura sliding patio door line-up of handles continues to grow, creating new opportunities for Fabricators to strengthen their product offering. Roto is excited to announce the official launch of the 9600 & 9900 handles, which provides a similar appearance for a better/best segmentation.

- Entry-level handle with a contemporary look
- 1-piece design allows for ease of installation
- Matching exterior design with or without keyed option
- Available in a variety of powder coat finishes

9600 SERIES HANDLES WITH SINGLE POINT LOCK

RotoFasco Secura 9900 Handle

New Product The RotoFasco Secura sliding patio door line-up of handles continues to grow, creating new opportunities for Fabricators to strengthen their product offering. Roto is excited to announce the official launch of the 9600 & 9900 handles, which provides a similar appearance for a better/best segmentation.

- Up-scale handle (“big brother” to the 9600) for larger door applications
- Best suited to work in tandem with Roto’s 2-point mortise lock
- Matching exterior design with or without keyed option
- Available in a variety of powder coat finishes and a Satin Nickel premium finish

9900 SERIES HANDLES WITH MULTIPOINT LOCK
