

## Roto Fasco Secura 9100 Handle

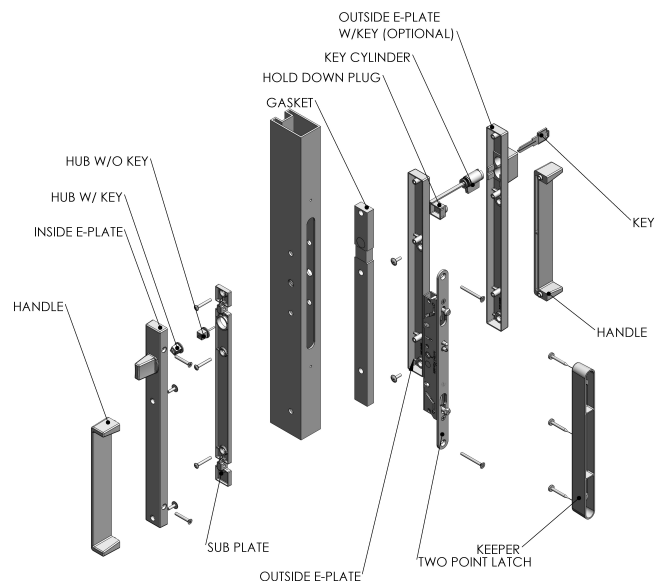

Roto's 9100 Sliding Patio Door handle combines the best of form and function with a sleek, contemporary design.

### Features & Benefits

- Aesthetically pleasing thumb turn above handle
- Only 1.2" wide in order to prevent the handle from encroaching into the glazing area of the door, which maximizes sight lines
- Matching exterior handle (keyed option)
- Compatible with a 3-cross hole drilling
- Array of powder coated color options and the Satin Nickel architectural finish

### Two Point Latch
